

Spokane Scout Store Holiday Giving Tree

Begins November 1st

INLAND NORTHWEST COUNCIL

YOUR HELP IS REQUESTED

November 1st, 2024

Hello Scouting Friends,

The Spokane Scout Store is providing an opportunity for the Scouting community to help local Scouts who may need uniform parts and scouting equipment.

The Holiday Giving Tree program will run throughout November and December and works on a donation basis. The tree in the Scout Store will be decorated with Holiday Giving cards. Each card will have a Scout's name, rank, and the items needed. Scout supporters can purchase a card in the Scout Store and the store staff will ensure delivery to the child.

We will keep the identity of the individual(s) **confidential**. It is okay to use a middle name or a more generic name, if you are concerned about recognizability. As the donations are collected, store staff will contact you to make pickup arrangements.

We need your assistance to make this project a success! For each of your Scouts who would benefit, please fill out the information below and return to the store by November 25th, 2024, or earlier. **Proof of need is not necessary.**

If you have any concerns or questions, please contact the store staff by email: Spokane.Store@Scouting.org. Thank you in advance for your assistance! With leaders like you, this program will greatly benefit our Scouting community!
